

In Early Years, we use number rhymes to help the children learn to form numbers. Please practise these at home:

0—Around we go!

1—One is fun!

2—Around and back on a railway track.

3—Around the tree, around the tree, that's the way to make a 3.

4—Down and over and down some more, that's the way to make a 4.

5—Down and around and put his hat on!

6—Roll a hoop and make a loop!

7—Across the sky and down from heaven, that's the way to make a seven.

8—We make an S but do not wait, go back up and close the gate.

9—A hoop and a line, that makes a nine.

Please practice these as much as you can!

Thanks,

The Early Years Team
